BEFORE THE AIR QUALITY CONTROL COMMISSION  
OF THE STATE OF COLORADO

---

IN THE MATTER OF OIL & GAS RULEMAKING EFFORTS, CHANGES  
TO REGULATIONS NUMBER 3, NUMBER 6, AND NUMBER 7

---

MOTION TO ALLOW TELEPHONIC PARTICIPATION BY  
WORLDWIDE LIQUID SOLUTIONS, LLC. AT PREHEARING  
CONFERENCE OF JANUARY 17, 2014 AT 9:30 A.M.

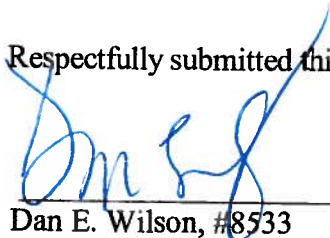

---

COMES NOW Worldwide Liquid Solutions, LLC ("WLS"), by and through its undersigned attorney, and submits this Motion to Allow Telephonic Participation by WLS at the Prehearing Conference of January 17, 2014 at 9:30 a.m., stating as follows:

- 1) Pursuant to 5 CCR 1001-1, Section V.E.6.a., WLS asserts that there is good cause to allow its participation at the Prehearing Conference via telephone.
- 2) As WLS indicated in its Pre-hearing Statement, it is a small innovative business located in Western Colorado. It does not have the financial resources that many parties have but believes it has a unique perspective to offer to the Commission. It is like Dolores County, which filed to appear by telephone yesterday, January 13, 2014, in that it has a limited legal and travel budget, although, of course, its budget is not derived from tax dollars.
- 3) To require in person participation at a short procedural prehearing conference approximately 260 miles from its office in Grand Junction would create an undue hardship and expense with minimal advantage created for the Hearing Officer.
- 4) Pursuant to 5 CCR 1001-1, Section I, the procedural rules are intended to promote, rather than obstruct, public participation in decision-making. WLS believes it should be allowed to participate by telephone as it was in the last required conference, which was accomplished effectively with multiple parties appearing telephonically.

WHEREFORE, WLS respectfully seeks entry of an order allowing telephonic participation at the Prehearing Conference set for January 17, 2014 at 9:30 a.m.

Respectfully submitted this 14<sup>th</sup> day of January, 2014.

---
